Surrounded by glorious, terraced, mature gardens overlooking an ornamental lake stocked with Koi carp and flanked by an all-weather tennis court this splendid villa was designed to provide space, comfort and luxury. The property's definite Moorish influenced architecture is apparent as one enters with high arched, ornamental brickwork ceilings, natural stone floors, ochre walls and tall doorways. Numerous windows and french doors open onto tropical gardens and polished stone terraces where a fabulous heated infinity pool provides the foreground for valley and ocean views as far as the eye can see.
