One of the last remaining opportunities to design and build a substantial detached residence with breathtaking ocean and fairway views at Monte Rei. Purchasers can choose to work with an architect and interior designer from the Resort or determine their own design and specification, subject to final approval by the development directors. Residents benefits include priority access to golf, clubhouse, gym, spa and various restaurant facilities. A full-service housekeeping, concierge, security and property management service is available in-resort and a child-care facility is also available.
