Located in the prestigious Cerro de Águia in Albufeira, this plot offers stunning sea views from an elevated position. Its location is ideal, just a few minutes' drive from the city centre, the marina, golf courses and several magnificent beaches. The plot is on a serene hillside, surrounded by high-quality detached houses. The project has been approved for the construction of a magnificent two-storey villa with a basement. The construction area is 477 m², with a total construction area of 643 m². This project offers a unique opportunity to create your dream home in one of the region's most valued areas.
