Designed by its architect owner, this unique villa offers an exceptional quality of life and accommodation and on the ground floor comprises an open plan living and dining room with patio doors leading to a sheltered terrace, a unique internal tropical garden and a separate kitchen & laundry room. On the first floor, there are four, spacious bedroom suites, with the master and second suites affording access to a terrace with lovely sea views. The villa is surrounded by mature tropical gardens, a large swimming pool and the benefits of a large garage in the basement. This villa is a lovely family home and could be a lucrative buy-to-let investment given its central location. All facilities are within a close walk, and there are some substantial residential
