A well-presented, traditional semi-detached rural villa with five (4+1) bedrooms, lovely terraces, and superb gardens, located in between the thriving village of Guia, Marina, and Old Town Albufeira, this peaceful location offers the best of many worlds, as it's within a few minutes drive of the coast and Salgados Golf too! There are five bedrooms, two of which are on the ground floor, and a bathroom. Three bedrooms, one with a sunny terrace, and two further bathrooms are on the first floor, and a large landing space with a wood burner makes a wonderful study space. Project to build a pool is waiting for approval.
