An excellent selection of 26 building plots located in one of Albufeira's most convenient locations. Close to all main amenities, including schools, sporting facilities and transport links, and within ten minutes drive of the beach, golf course, and marina, these plots will be much sought after by investors or buyers looking to design and construct their perfect forever home. Ranging from 500 m2 to 732 m2, with varying aspects and pre-determined building permissions. Each plot will have connections for electricity, water, sewage and fibre internet, with the entire low-density development planned to offer well-planned and easily maintained access. (The image renders are examples of potential villa developments on the site and are for information only.)
