A luxury development of contemporary Eco-apartments under construction with one to three bedroom, landscaped gardens with a heated pool and a gymnasium. The condominium is centrally located and within walking distance of Albufeira, with all amenities close at hand. All apartments feature a designer kitchen with island and Class A+++ appliances, fine quality bathroom fittings and natural wood and ceramic flooring throughout. Available as well, some units featuring large top terraces with jacuzzi. This development will appeal to clients looking to permanently reside in a central location, as a vacation property or to provide a home and income investment.
