These exclusive 3-bedroom apartments feature three elegant suites with private walk-in showers and a guest WC. The open-plan living area includes a fully equipped, high-quality kitchen opening onto a spacious terrace or balcony. Ground floor units offer private gardens (75–100 m²), while second-floor apartments enjoy rooftop terraces of 112 m². Set in a gated community of 22 homes, the project offers a 25-metre heated saline pool, children's pool, outdoor fitness circuit, private garages with electric chargers, and landscaped gardens. Designed for sustainability with smart
