Experience refined living in an exclusive community of 22 apartments, including stunning 4-bedroom homes on the top floor with panoramic views of golf courses and the Atlantic Ocean. Each residence features four en-suite bedrooms with walk-in showers, a guest powder room, and a spacious open-plan living area with a fully equipped kitchen opening onto a large terrace (128 or 158 m²). Enjoy seamless indoor-outdoor living with a private rooftop terrace of 158 m². Amenities include a 25m heated saline pool, children's pool, outdoor fitness circuit, and secure underground parking with electric car chargers. Designed for comfort and sustainability, move-in is planned for mid-2026.
