Built in the 1970s, the house retains its original charm and is well maintained, though it would benefit from modernisation. The ground floor comprises a large lounge with fireplace and floor-to-ceiling windows leading to a south-facing terrace with BBQ, kitchen, three bedrooms (one ensuite), a family bathroom and guest WC. Upstairs are two bedrooms, two bathrooms (one used as laundry) and a spacious landing with access to a roof terrace boasting panoramic ocean views. The property also features a pool, triple garage and mature gardens.
