Experience refined living in a private community of just 22 apartments, where comfort meets contemporary design. The 2-bedroom units feature two elegant suites with walk-in showers, a guest WC, and a spacious open-plan lounge with a fully equipped, high-quality kitchen. Enjoy a private balcony or terrace, with ground-floor units offering gardens up to 115 m², and top-floor units boasting rooftop terraces with jacuzzi. Located in a peaceful area of Vilamoura near golf, beaches, and international schools, the development offers a 25 m heated saline pool, fitness circuit, EV charging, and A+ energy efficiency. Completion expected mid-2026.
