A beautiful detached villa, ideally located within a family-friendly neighbourhood of similar properties. Close to main road and public transport links, plus great family facilities including schools and sports facilities, this property will make an ideal permanent home. With curved elevations reflected throughout, the house has a principal suite to the first floor with large sun terrace and stairs descending to the pool, deck, and low maintenance gardens. There is a further suite on the ground floor, a bedroom and a family bathroom. A large living room with fireplace and French doors opens to the terrace with steps to the garden. This room is open plan to the modern gloss kitchen and separate dining area. A large gated driveway leads to the garage.
